Course description:

Visiting biblical sites can make the Bible come alive, but many people never have that opportunity. Join us for a journey through the Bible, using Scripture and a library of beautiful photos from across the Mediterranean. We'll trace the biblical story from Moses confrontation with the Egyptian Pharaoh to Paul's arrival in Rome more than a millennium later. We'll visit Cairo, Jerusalem, Galilee, Athens, Ephesus, Rome and more. You won't read the Bible or hear the stories in the same way again.
